CAUTION: EXTERNAL EMAIL

Hi,

The area with the biggest HE is on their property just carved out around their plumbing area adjacent to the sidewalk. If you look at it on google maps.

Historically LASAN has left that area alone since its LAUSD property not PRW. See photos 2/3 that you shared.

LAUSD should consider closing this off to prevent some of the problems they are reporting.

Hi LASAN/ Mayor Team,

I am aware of the HE but until now no complaints or concerns have been raised about this site compared to the numerous other sites that by far are more hazardous and larger that generate daily complaints.

In the thread LAUSD has provided you photos. Pls pass those on so I can determine the urgency to direct our team to this site.

Today we are in Hollenbeck and will return next week to the division.

Thanks,

Good morning Claudia, Brian, Howard, and Sal:

Thank you for your support on these complex challenges. Also,
congratulations to the City on the opening of a new Bridge Home. I saw our

Good afternoon Sergio:

I am supporting the collaboration between the City of LA (Mayor's Office, Sanitation), CALTRANS, and the District around Homeless Encampments. Marc Ducasse is bringing to my attention the issue at the East LA Skill Center with regards to Homeless Encampments. Are you aware of this issue? Can you ask the LD East Operations Coordinator who is supporting the ELA Skill Center so I can get more information and share the work we are doing to support District schools and facilities?

I can be reached at 626 487 4149.
